

Appln. Serial No. 09/881,464  
Amendment Dated November 10, 2004  
Reply to Office Action Mailed September 21, 2004

### REMARKS

In the Office Action dated September 21, 2004, claims 1, 3-7, 8-11, 33, 34, and 42-45 were allowed, and claim 19 was indicated as containing allowable subject matter but was objected to as being dependent from a rejected base claim.

Claims 12, 13, 16-18, 20, 21, 24, 27-30, 32, 35-41, 46, and 47 were rejected under 35 U.S.C. § 103 over Livingston, Yoshimura, and Blonder; and claims 14, 15, 24, 29, 30, and 32 were rejected under § 103 over Chandler and Van Doorn.

Claims 12, 18, and 38-41 are cancelled, without prejudice to filing such claims in a continuation application, to render the rejection of the claims moot.

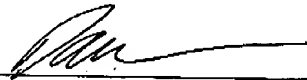

Claim 19 has been amended from dependent form to independent form, with its scope *unchanged*, to place the claim in condition for allowance.

Each of independent claims 14, 24, and 29 have been amended to recite attaching the shroud to a chassis with an attachment mechanism, and using an electromagnetic interference gasket to enable electrical contact between the shroud and the chassis. The added subject matter is similar to corresponding subject matter in claims 1, 8, and 19 that have been indicated as being allowable. Therefore, it is respectfully submitted that independent claims 14, 24, and 29 are also now in condition for allowance.

Allowance of all claims is therefore respectfully requested. The Commissioner is authorized to charge any additional fees and/or credit any overpayment to Deposit Account No. 50-1673 (9793).

Respectfully submitted,

Date: Nov. 10, 2004
